

THE SOUTH SHORE'S NEWEST HOCKEY LEAGUE **BY PLAYERS, FOR PLAYERS.**

ABOUT THE LEAGUE

The South Shore Classics Hockey League stands as a men's hockey league crafted by players, for players. Our inception was guided by a vision to return ownership and control of the league back to its members. Each contribution made by our dedicated players is invested directly back into the league to foster ongoing improvement season after season.

We've diligently constructed a league that caters to various skill levels, made up of 14 teams in 2 divisions, ensuring a diverse and enriching experience for all participants. Additionally, we take pride in providing custom home and away uniforms, unique for every team with names and numbers, for every player, further enhancing the sense of unity and identity within our league.

In the SSCHL, hockey enthusiasts of all skill levels find an inviting space to compete and connect. With camaraderie and sportsmanship as cornerstones, our structured approach enhances teamwork and the sheer excitement of the game.

The league is structured into two distinct divisions: The Masters and the Classics, each catering to different skill levels and preferences to ensure an engaging experience for all participants.

The Masters division consists of six teams comprising A and B level players, representing the pinnacle of competition within the SSCHL. Tailored for those seeking a high-intensity, competitive pace, this division offers a dynamic environment for top-tier play.

The Classics division comprises eight teams featuring C and D level players, providing a more accessible skill level and pace of play. Ideal for players transitioning from the Masters division or honing their abilities to eventually ascend to the Masters ranks, this division offers a supportive atmosphere for skill development and enjoyment.
